## **WELCOME TO CHILDREN'S MEDICAL SERVICES HEALTH PLAN!**

Welcome to Children's Medical Services (CMS) Health Plan! Our top priority is to make sure your child gets high-quality healthcare when needed.

This is your provider directory. The next few pages tell you how to use the directory. Let us know if you need help understanding this.

You can also use our online Find a Provider Tool to search for providers by address, zip code or county. You can find primary care doctors, medical clinics, mental health providers, hospitals, pharmacies and medical equipment suppliers. Visit **FindAProvider.SunshineHealth.com**.

## **EASY TO USE**

We want to make using your child's benefits from Children's Medical Services Health Plan easy. One important way to do this is finding a good primary care doctor and seeing him or her regularly. When your child needs care, call your child's PCP to make an appointment. Tell them CMS Health Plan covers your child. It is that simple.

## **CHOOSING YOUR CHILD'S PROVIDER**

Getting care that is right for your child's age and health is important. It's important to have a good relationship with a primary care provider (PCP) who can get to know your child and his or her needs. Your child should visit their PCP at least once a year, even if they feel well.

During an annual checkup, the doctor can check your child's overall health and discuss health screenings or tests your child may need. The doctor can also help manage any chronic conditions, like asthma or diabetes. The PCP's job is to take care of your child. The doctor may send your child to other providers when specialized care is needed. This is called a referral. The PCP will work with your child and any needed specialists.

Families can choose a child's PCP from our list of providers. If not, we will select one for your child. You can also change your child's PCP to a different PCP at any time.

Family members can choose from:

- Pediatricians (they only see children)
- General/family practice (they see everyone in your family)
- Internal medicine (they usually see adults)
- A provider working in a clinic (for rural areas)

When your child visits the PCP, here are a few tips to make the most of the doctor's visit:

- Be honest. Don't minimize your child's symptoms or feelings.
- If you don't understand something, ask questions.
- Don't be nervous to talk about your child's health issues or symptoms. The doctor is there to help.
- Ask about next steps and schedule a follow-up appointment, if needed.

If you need help or don't see your doctor in this directory, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

### **CHOOSING AN OB/GYN**

Families may pick any OB/GYN doctor from the CMS Health Plan network. This doctor takes care of female healthcare needs without a referral from your child's provider. An OB/GYN helps your child with pregnancy care, yearly check-ups and general women's health. If you need help, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

### **FAMILY PLANNING**

CMS Health Plan members can get family planning services without a referral from their doctor. Your child can get services directly from his or her doctor. Your child can also go to any family planning clinic that takes CMS Health Plan. If you need help choosing a family planning provider, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

### **ACCESSIBILITY**

If your child uses a wheelchair, walker or other aids and needs help getting into a doctor's office, call the doctor's office before arriving. This way, someone can be ready to help when you arrive. If you need help talking with your child's doctor about special needs, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).
