WELCOME TO SUNSHINE HEALTH!

Welcome to Sunshine Health! Our top priority is to make sure your child gets high-quality healthcare when needed.

This is your family's provider directory. The next few pages tell you how to use the directory. Let us know if you need help understanding this.

Families can also use our online Find a Provider Tool to search for providers by address, zip code or county. You can find primary care doctors, medical clinics, mental health providers, hospitals, pharmacies and medical equipment suppliers. Visit **FindAProvider.SunshineHealth.com**.

EASY TO USE

We want to make using your child's benefits from Sunshine Health easy, so your child can get healthy and stay healthy. One important way to do this is finding a good primary care doctor and seeing him or her regularly. When your child needs care, call your child's PCP to make an appointment. Tell them your child is covered by Sunshine Health. It's that simple.

CHOOSING YOUR CHILD'S DOCTOR

Getting care that is right for your child's age and health is important. It's important to have a good relationship with a primary care provider (PCP) who can get to know your child and his or her needs. Visit your child's doctor at least once a year, even if he or she feels well.

During an annual checkup, your child's doctor can check their overall health and discuss health screenings or tests your child may need. The doctor can also help your child manage any chronic conditions, like asthma or diabetes. The PCP's job is to take care of your child. The doctor may send your child to other doctors when he or she needs specialized care. This is called a referral. The PCP will work with your child and any needed specialists to try to keep him or her healthy.

Families can choose a child's PCP from our list of providers. If not, we will select one for your child. You can also change your child's PCP to a different PCP at any time.

Family members can choose from:

- Pediatricians (they only see children)
- General/family practice (they see everyone in your family)
- Internal medicine (they usually see adults)
- A provider working in a clinic (for rural areas)

When your child visits a PCP, here are a few tips to make the most of the doctor's visit:

- Be honest. Don't minimize your child's symptoms or feelings.
- If you don't understand something, ask questions.
- Don't be nervous to talk about your child's health issues or symptoms. The doctor is there to help.
- Ask about next steps and schedule a follow-up appointment, if needed.

If you need help or don't see your child's doctor in this directory, call Member Services at 1-855-463-4100 (TTY 1-800-955-8770).

CHOOSING AN OB/GYN

Families may pick any OB/GYN doctor from the Sunshine Health network. This doctor takes care of female healthcare needs without a referral from your child's doctor. An OB/GYN helps your child with pregnancy care, yearly check-ups and general women's health. For help, call Member Services at 1-855-463-4100 (TTY 1-800-955-8770).
