EASY TO USE

Getting benefits from Sunshine Health is easy. We believe the best way for your child to stay healthy is to have a good relationship with his or her primary care doctor (PCP). That is why you pick your child's PCP. When your child needs care, all you have to do is call his or her PCP for an appointment. Tell the office that your child is covered by Sunshine Health. It's that simple.

CHOOSING YOUR PCP

Please choose your child's PCP from our list. This PCP has the job of taking care of your child and sending him or her to other doctors when needed. You can have all of your enrolled children see one PCP or you may pick a different PCP for each of your children.

You can choose:

- Pediatricians (they only see children)
- Family practice doctors (they see children and adults)
- A provider working in a clinic (RHC/FQHC)

If you need help or don't see your doctor listed in the Directory, call Member Services at 1-866-796-0530 (TDD/TTY 1-800-955-8770).

BEHAVIORAL HEALTH

Behavioral Health refers to mental health, alcohol, and drug abuse services. Sunshine Health's Behavioral Health provider, Cenpatico, has mental health professionals that can help your child. They are listed in this Directory. You can also call Cenpatico at 1-800-716-5650, 24 hours a day, seven days a week. You do not need a referral from your child's PCP for Behavioral Health services from an in-network provider.

FAMILY PLANNING

Sunshine Health members can get family planning services without a referral from their PCP. You can also go to any family planning clinic that takes our Healthy Kids coverage. Call Member Services if you need help choosing a family planning provider at 1-866-796-0530 (TDD/TTY 1-800-9558770).

ACCESSIBILITY

If your child uses a wheelchair, walker or other aid, and needs help getting into the doctor's office, please call before you arrive. If you would like help talking with the doctor about your child's special needs, call Member Services at 1-866-796-0530 (TDD/TTY 1-800-955-8770).

TAKING CARE OF YOUR CHILDREN

We want you to make appointments for your child. We want you to make them for regular check-ups. Benefits with Sunshine Health include:

- Screenings
- Diagnostic x-rays
- Lab tests

IF YOUR CHILD HAS TO BE HOSPITALIZED

If your child needs to go to the hospital, his or her PCP, or a specialist will admit them to a hospital where he or she is affiliated. The in-network hospitals are listed in this Directory.

REFERRALS TO SPECIALISTS

Your child's PCP MUST coordinate referrals to specialists, hospitals, and other providers.

IMMEDIATE AND EMERGENCY CARE

If your child has a serious illness or injury that needs immediate attention, first call your PCP. They know your child's medical history best. With Sunshine Health, you have access to medical services 24 hours a day, 365 days a year. In case of a possible life-threatening emergency, call 911 or go to the nearest emergency room. If your child is admitted to the hospital, please call or have someone else call Sunshine Health within 48 hours to let us know about your child's medical situation.
